Yes, I am planning on it, thanks. Do you mind if I share it with the group who is going? Just in case someone gets separated.

Hi Jackie –

I am not sure if we had completed our coordination for driving for the tours on Feb. 9. I have reserved a car, and I saw Fred has, too. That would give us two cars to move the 7 listed EPA/CDC people around.

You can send my cell number to Gina et al. Ex. 6 Personal Privacy (PP) Might be good for her to have numbers other than the driver though so the driver doesn't have to answer while driving.

All,

This is the current list of people going to California from EPA and CDC. See Gina's note below (highlighted) for a meeting place on 2/9.

Hi all,

Ex. 3 [CERCLA section 104(e)(7)(42 USC 9604(e)(7))]

Apologies, but it does appear to be the only reasonable meeting place in the area.

Perhaps we could aim to meet there at 9:30 for a brief round of introductions, prior to going to the site?

I don't think that those flying down from Sacramento can hope to get there before 9:30, but it seems like it would be good for everyone to have a chance to briefly meet before we walk into the first tour.

Does this sound ok?
